## From The Desk of Director

Education is a weapon whose effort depends on who holds it in hand and at whom it is aimed "illiteracy which is the root cause for under development of our nation and for all social evils has to be alleviated. Our nation can be first super power of the world if the potential of its enormous human capital resources, is properly equipped with enough education a factor that shall immensely contribute for itself also to be extended

## FROM THE DESK OF PRINCIPAL

School is a temple of education and a place for Learning skills. Education plays a virtual role in development by spreading purposeful education. It is possible only with your support.

The Motto of this institute is to bring out the hidden potency of the students and to develop their personality.

I hope that the institute seeks to provide a confident education.

WITH REGARDS & COMPLIMENT

## INTRODUCTION
